MEGEVAN LUXURY CHALET RENTAL

Here is a typical traditional Megeve luxury chalet, with a lot of old wood, cosy bedrooms and views on the 'Massif du Jaillet'. This perfectly located luxury chalet is for rent and will mostly please families looking for comfort and quality time together in Megeve. The views are excellent and there are no real neighbors to pay attention to.

The owners of this luxury chalet have focused on a more traditional luxury style with modern bathrooms and high ceilings that, at least in the living area, create a sense of volume. The kitchen opens on to the dining room and can be supplied with or without a chef. There is a ski room in the garage and you are a few minutes' drive from the Megeve Mont d'Arbois ski area. All rooms of that luxury chalet have flat screen TV's and there is also one in the living room. The master bedroom also has a fireplace. The furnishings are in subdued colours that fit with the more traditional styling of the chalet.
