

## Villa BLUE , Saint Tropez

### THE BEAUTY OF RAMATUELLE IS TO RENT

The luxury villa rental "Blue" is set in a beautiful provencal garden above the sea in an exceptional position. The view is just outstanding, a sparkling panoramic sea view. Being only 100m from a sandy beach in Ramatuelle the luxury villa is also close to the old village of Ramatuelle where you can eat out and 15 minutes from Saint Tropez.

The luxury villa is of contemporary architecture from the outside with large arched terrace areas for outside dining, similar to the villas that you could find in Greece, perched on the hillside, giving the impression that you are in the sea. The interior of the villa is decorated with provencal furniture, giving a relaxed feeling. Beige and cream cottons make this a comfortable villa. Linen curtains and bed linens can be seen in every room. The large windows can be left open all day to enjoy the warm sea breeze. This luxury villa is the ideal rental for a family with older children or a couple of friends.
