

Villa RAMATUELLE , Saint Tropez

SET AGAINST THE HILLS OF RAMATUELLE ...

Just minutes from the legendary village of Saint Tropez, luxury villa "Ramatuëlle" (8 unique and separate villas for rent) offers a superb base from which to experience the pleasures of the French Riviera: an opportunity to escape from the daily bustle for a week or two, in a secure, private realm dedicated to serenity and beauty.

Many of the villas face the sea and offer a privileged view of the Mediterranean stretching far into the horizon. These contemporary Provencal style luxury villas have been designed with a touch of tradition that produces a clean and refreshing feel. Each villa rental has its own pool set in lovely private gardens where hardly a sound is heard except for a chorus of cicadas. Inside, the focus is on space and openness, allowing the Mediterranean sun to work its golden magic. With interiors by top designers, each villa has its own unique cachet.
